PROJECTS

Portfolio, July 2024 - July 2024

- Built a Stunning Portfolio Website in Just One Week

I'm thrilled to share my latest project?a sleek, responsive portfolio site developed using HTML and CSS. It features an elegant design with a unique color palette, all created in just one week. I also used generative AI tools like GPT for content and design enhancements. Check it out to see my work!

Home Automatiom, December 2023 - December 2023

- The Home Automation project involves creating a system to control home appliances remotely via Bluetooth. It integrates a Bluetooth module with a microcontroller to enable communication between a mobile app and household devices.
